Junior Naturalist Club

Crawford Park District

Education for Today...Preservation for Tomorrow

Club Info

- Who:** For 12-18 year olds interested in nature
- What:** Meeting topics will change each month, but will depend on the interests of the members
- When:** Mostly on the 2nd Saturday of every month, but will vary
- Where:** Lowe-Volk Nature Center
- Why:** The goal of the club is “To foster and encourage excitement for nature and nature related careers within a community of young adults, giving them tools they need to excel in the pursuits of their interests.”

CLUB OPPORTUNITIES

There are many opportunities for club members that are optional, based on their interests and their drive. Some of these include:

Volunteering for Park Events

There are many big events where the CPD staff need help with presenting animals, crafts, activities, running the concession stand, and other duties.

Helping with Nature Camp

Help facilitating our week long Nature Camps starting in June and ending in August.

(Must be 13 to participate)

Animal Care

Helping to take care of the wildlife ambassadors in the Nature Center.

Scientific Research

Members can propose a research project, which staff would help to facilitate. There could be an opportunity to present a poster or presentation at a wildlife research symposium.

(Must be in High School to participate)

Creating a Program

Members can create and present a program to the general public upon staff approval.

Park Projects

Members can take initiative to plan and conduct a project that would improve our park visitors' experiences.

CLUB MEETING TOPICS

Meetings will cover a variety of topics and activities that are centered around the interests of the members.

Meetings may include, but are not limited to: Animal Handling, Animal Care, Scientific Research, Conducting Educational Programming, Species Identification, Hikes, Archery, Fishing, Geology, Games, Hangouts, Guest Speakers, and Field Trips.
